

Healthcare Allowance (Zorgtoeslag) Checklist

Use this checklist to prepare the information needed to check whether you may qualify for Dutch healthcare allowance.

Basic information

- BSN number and date of birth.
- Start and end date of Dutch health insurance.
- Policy number or name of the Dutch health insurer.

Income and household situation

- Estimated annual income for the year of application.
- Final annual income for previous years, if applying retroactively.
- Information about a tax partner, if applicable.
- Information about assets/savings on 1 January of the year.

Changes to report

- Change of job, working hours or income.
- Moving in with a partner or separating.
- Change of address or leaving the Netherlands.
- Start or end of Dutch health insurance.

This checklist is for information purposes only and does not replace individual tax advice.
